

# Thank You

FOR SUPPORTING PRIORITY ONE WORLDWIDE & OUR EFFORTS TO HELP EXPAND THE KINGDOM OF GOD

Mission Myanmar and the Orphanage in Yangon.

## You Donated to Mission Myanmar Through Priority One Worldwide!

Thank you so much for your gift designated to support Judah Tangshing's ministry: Mission Myanmar.

Your support will help further kingdom growth in the unreached areas of Myanmar. Priority One Worldwide is confident that your donation will plant and water souls by sharing

the knowledge of Jesus to Buddhist people groups.

All of the ministries with whom Priority One Worldwide has partnered have one main goal: Expand the kingdom of God by making disciples, baptizing them, and teaching them to obey all that Jesus has taught us (Matt 28:19-20).

Many areas throughout Myanmar are completely unreached. This is why we are

ecstatic that you have decided to assist Judah and his ministry to teach others about Jesus. Thank you for your support!

### Ben & Jaimie Go To India

Ben and Jaimie are two disciples who have moved to Nagpur, India in order to encourage the church there, share the gospel, and help orphans. In India, less than 3% of the 1.2 billion people in India believe in Jesus, and many people have never heard the gospel. Ben and Jaimie are motivated by Christ's love to share their hope in Jesus.

Ben & Jaimie set off to India in August 2013 in order to work with a local church named New Bidipeth Christian Church. Their primary objective is to partner with the local church pastor and help begin an orphanage for local street children. During their stay, they will be updating a blog that shares their success, struggles, and day to day happenings of life in India.

### Bidipeth Christian Church

N.B.C.C. was founded in 1985. It is located in an area where no one knows about Jesus. Rakesh (the pastor) and his wife distribute gospel tracts door to door in slum areas. The high caste do not prioritize their time to learn about Jesus, but the poor and downtrodden desperately need hope and have the time to learn. N.B.C.C. teaches people about Christ through the Bible, prays for people, and helps the local community by feeding underprivileged children.

N.B.C.C. used to meet in a rented school, but recently they were given a building for worship! Most church members come from a Hindu background. Every day there are house prayer meetings in various locations. There are about 40 families at this time.
